

HOTEL CIS PARADEEP (Orissa) **A New Destination in East**

Authorized Service Provider

ABOUT PARADEEP

Paradeep is one of the India's twelve Major Ports, the main out-let and in-let for the sea- borne trade on the eastern part of the country covering states such as Orissa, Madhya Pradesh and Bihar. It is also the nearest deep port for the entire East-North-East part of the country. The natural resources and industrial products of this wide spread hinterland are immense with a natural depth of about 13 meter, the port is located inside a lagoon which offers problem-free berthing facility all the year round.
